RECOGNITION

SECTION 1 – RECOGNITION

A. The City recognizes the Fraternal Order of Police, Fort Pitt Lodge No. 1 ("FOP") as the sole and exclusive collective bargaining representative concerning the terms and conditions of employment, including compensation, hours, working conditions, retirement, pensions and other benefits for all employees as provided in Act 111 of 1968.

B. The FOP recognizes the Mayor as the sole and exclusive bargaining representative for the City of Pittsburgh. The FOP, its agents and representatives, agrees to bargain collectively pursuant to Act 111 of 1968 with only the Mayor or his designated representative.

C. Newly hired police officers shall be required to serve a probationary period of twelve (12) months, the term of which shall commence upon successful completion of the Pennsylvania Municipal Police Officers Education and Training Commission (MPOETC) certification and examination. All terms and conditions of employment under this Collective Bargaining Agreement apply to the officer during the probationary period except for the just cause requirements applicable to disciplinary action, including termination.

D. The just cause provisions shall apply to the officer once the probationary period ends. The officer shall be entitled to voluntarily join the Fraternal Order of Police Fort Pitt Lodge #1 (FOP) after successfully completing the MPOETC examination and being sworn in by the City of Pittsburgh as a police officer for the City of Pittsburgh. Each employee shall then be accorded the right to appeal, as not being for proper cause, any employment termination action to the Civil Service Commission; provided such appeal is filed within ten (10) work days of the City’s notice of that termination, or pursuant to Section 5 of the Working Agreement.

E. Communications in writing between the parties, for purposes of this Working Agreement shall include memoranda, letters, signed or unsigned email communications, but not text messages.
F. RESPONSIBILITIES OF THE PARTIES

1. The City, its representatives at all levels, is bound to observe the provisions of this Agreement. The FOP, its officers, Board members, and representatives at all levels, is bound to observe the provisions of this Agreement.

2. In addition to the responsibilities that may be provided elsewhere in this Agreement, the following shall be observed:

   a. There shall be no interference with the right of any employee to become or to continue as a member of the FOP.

   b. There shall be no discrimination, restraint, or coercion against any employee because of membership of the FOP.

   c. There shall be no FOP activity on City time except as provided in Section 5-E-2.

   d. There shall be no intimidation or coercion of employees into joining the FOP or continuing membership therein.

3. The provisions of this Agreement shall be applied to all employees without regard to race, color, religious creed, national origin or sex. The representatives of the City and the FOP, shall comply with this provision in all steps of the grievance procedure and in all dealings between the parties.
DUES CHECK OFF

SECTION 2 – DUES CHECK OFF

A. 1. The City will check off uniform and regular monthly dues as designated by the FOP in writing to the City on the basis of individually signed voluntary check-off authorization cards. This shall include deductions from compensation paid pursuant to the Heart and Lung Act, 53 P.S. 637 if the City has received a voluntary check-off authorization card signed by the employee specifically permitting the City to deduct dues from compensation paid pursuant to the Heart and Lung Act. A copy of such authorization card for the check-off of FOP dues shall be furnished to the City. These authorizations shall not be sent more frequently than once each month. Deductions on the basis of authorization cards submitted to the City shall commence for the month in which the City receives such card or in which such card becomes effective, whichever is later. In case of earnings insufficient to cover deductions, a deduction shall be made from the next pay in which there is sufficient earnings or a double deduction may be made from the pay of the following month, provided, however that any accumulation of dues shall be limited to two (2) months.

2. If the FOP shall increase the amount of its monthly and/or annual dues subsequent to the execution of then current dues check-off authorization cards by members of the bargaining unit, the then current dues check-off authorization cards shall be considered sufficient authorization to the City to increase the amount of FOP dues deducted by it from the earnings of the respective members of the bargaining unit.

3. Written notification from an appropriate officer of the FOP to the City that the FOP has increased its periodic dues shall be considered by the City as constituting adequate notice and authority for it to increase the amount of any dues deduction that it deducts from the earnings of members of the bargaining unit.
4. The City shall, at the direction of the FOP, make extra dues deductions from an employee who is in delinquent status. If an employee is absent from work for reasons other than those already provided for in this Agreement, the FOP may, when said employee returns to work, submit written notification to the City stating the amount of dues delinquency and the number of months an extra dues deduction shall be taken from an employee’s pay.

B. The City shall remit to the FOP all monies deducted and a list of all employees for whom a deduction has been made on or before the 15th day of the month after such deductions are made.

C. The FOP shall indemnify and save the City harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reason of any action or inaction taken by the City for the purpose of complying with any of the provisions of this Section, or in reliance on any list, notice, or assignment furnished under any such provisions.
SENIORITY

SECTION 3 – SENIORITY

A seniority system based upon continuous service and applicable ability considerations shall be followed for employment security and work assignment determinations, to include annual “Job Pick” selections and awards of and to police service employees, during the term of this Agreement. In connection therewith, the following definitions and rules are to be applied by the City.

A. **Continuous Service** – The “continuous service” status of each bargaining unit employee shall mean all “unbroken” service, from the date of his or her initial employment as a Police Officer in the Police Bureau. A break in such service will result, however, upon the occurrence of any of the following:

1. voluntary quit;
2. termination for cause; or
3. absence in excess of five (5) days without any justifiable reason and/or without any “report off” from work within that period of absence.
4. Any continuous absence due to a non-work related disability for a total of twelve (12) continuous months or for a total of twelve (12) cumulative months in a twenty-four (24) month period shall result in a break in continuous service and termination of employment. The period of absence runs prospectively from April 1, 2001. Any employee who is terminated under this provision for a non-work related disability will be able, within five (5) years following termination, to present evidence to the City physician establishing that the non-work related disability has been overcome, and that the former officer is able to return to full duty. In such case, the officer will be reinstated, and his continuous service shall be bridged for all purposes.
B. **Job or “Rank” Seniority** – Each employee will be accorded job or “rank” seniority, from the date of his or her initial promotion to any rank, with his or her “continuous service” status therefore running from that date. Seniority for any lower ranks held by an employee will continue while he or she holds any higher rank, of any Police Officer job. In the event an employee is reinstated after having terminated employment, he or she shall be accorded full credit for all time served as a Police Officer in the Police Bureau.

C. **Bureau-Wide Seniority** – Each employee will be accorded a “bureau-wide” continuous service or “seniority” status from the date of his or her initial employment on any job in the Police Bureau of the City. This seniority shall be applied in cases of any decrease in force and/or recall action affecting employees in his/her job or rank, by the City.

D. **Annual Bidding (Job Pick) Procedures** – By September 15 of each calendar year, the Chief of Police shall forward to the FOP his projected manning level notice for the Bureau of Police for the following year. The FOP shall have the right to grieve in an expedited manner any issues concerning the proposed picks. The parties shall select a neutral arbitrator prior to September 15 to decide any expedited grievances so as not to delay the October 1 posting date.

1. **Uniform Division Employees**

   a. By October 1, and continuing until October 31, of each calendar year, the Chief of Police shall cause a posting of Projected Manning Level notices indicating regular assignments and shifts to be filled by Uniformed Officers (including desk officers), and listing the names, ranks and service dates of such officers assigned, at and for all Police Stations maintained by the City. These notices shall include a “sign up” page or “Pick Sheet” for each position (by shift) to be posted and filled, at and for each such Police Station.
b. The Chief of Police shall have the discretion to create and post units within which qualified Uniformed Police Officers may bid, and place qualified Uniformed Police Officers within them. These positions are considered exempt. An exempt position is one which requires, or will require after appointment, training or ability that is not required for basic patrol assignments. The City will send to the FOP a written statement as to the qualifications it considers in placing employees in the units. The FOP shall have the right to a meet and discuss within 10 days of the receipt of the positing if it perceives the posting as an attempt to circumvent seniority or other “contractual” rights of Uniformed Police Officers. This shall not prohibit an Officer from filing a grievance to challenge their non-selection.

c. In the event that the City-wide bidding process is not utilized for all positions in Operations in any given bidding cycle, then the twenty five percent (25%) most senior police officers (excluding sergeants and lieutenants) assigned to work in the uniform division each year shall be permitted to elect the zone in which they will work that year, in order of seniority.

d. During the above said “posting” period, all Uniform Police Officers at each Station shall be given an opportunity to sign the Pick Sheet notice reflecting the regular “position” (and shift) of his or her choice. Any employee who fails to sign up for any regular position and shift assignment posted, or whose choice of position and shift is awarded to a senior employee, shall be assigned to one, without regard to his or her seniority status, by the Commander at the Station.

e. All regular position and shift assignment selections under Paragraph B hereof shall be made and awarded on a “seniority” basis, from among all
qualified Uniform Division employees at each Police Station. Any employee who fails to obtain his indicated choice of such assignments will be given a right to make a new choice within the posting period of Paragraph (d) above, and will be considered therefore, on the same basis.

f. All employees assigned to Zones shall be permitted to bid on car, wagon, utility or COP assignments on the basis of seniority. Regular COP assignments shall be posted and shall indicate the two (2) consecutive pass days and the shift.

g. By November 15 of each calendar year, the Chief will post Officer Assignment notices, indicating all regular positions assigned, by name, rank and applicable service date of each employee so assigned, at and for each Police Station, for the next following calendar year. A copy of this notice will be provided to the Local FOP President.

h. As provided in Paragraph (a)-(b) above, all Station assignments of Uniform Division (and other) employees will be made by the Chief of Police.

i. If, after the assignments within a Police Station for a calendar year take effect, an opening in an assignment occurs due to a resignation, retirement, including disability retirement, death, or promotion which the City determines to fill, then the vacancy shall be posted for bid within the Police
Station or unit before transferring a Uniformed Police Officer from another Police Station or unit. The City may fill such openings at any time by posting for bid, but if the City gives the assignment to Uniformed Police Officers for thirty (30) calendar days then it will be deemed to have determined to post the opening for bid. The assignment and shift shall be posted for bid for ten (10) calendar days but otherwise the procedure for bidding shall be the same as under subparagraphs d and e above. Only the initial opening caused by one of the events described above shall be filled by this procedure. Nothing in this subsection shall force the City to make promotions.

j. If, on a particular shift, the City must fill a vehicle assignment open on that shift, then the City shall fill it first from among Uniformed Police Officers who have successfully bid upon vehicle assignments but who have no vehicle available on that shift. If there are more open vehicle assignments on that shift than there are available Uniformed Police Officers who have successfully bid upon vehicle assignments, then the open vehicle assignments will be given to Uniformed Police Officers who successfully bid upon utility assignments, first by request, then by inverse order of seniority. The City may bypass any Uniformed Police Officer for an open vehicle assignment on a particular shift if the City, in good faith, believes that because of compatibility, the Uniformed Police Officer will not be effective in that assignment on that shift.

k. Picks shall be made in the following order

   Lieutenants shall pick first.
   Sergeants shall pick second.
   Detectives shall pick third.
   Master Police Officers shall pick fourth.
   4th Year Patrol Officers shall pick fifth.
3rd Year Patrol Officers shall pick sixth.
2nd Year Patrol Officers shall pick seventh.
1st Year Patrol Officers shall pick eighth.

For seniority purposes in the Detective Bureau only, all persons assigned to the Detective Bureau prior to February 17, 1998 shall have their seniority based upon total service as a Police Officer. Any person permanently appointed to the Detective Bureau after February 17, 1998 shall have their seniority based upon time in grade as a detective.

1. The City may, in its sole discretion, utilize an annual city-wide picking of shifts in the uniform division in order of seniority as is currently provided to the top 25% most senior officers and excluding lieutenants. Sergeants (in the uniform division) will be permitted to exercise their seniority to pick their duty location. The City will be permitted to move lieutenants for the "good of the bureau" as defined by the parties' arbitral history and/or for the purpose of enhancing the Bureau by utilizing/matching the individual skill set/abilities of a lieutenant with the needs of a particular work unit provided such assignment was not arbitrary or capricious. This change shall be done on a trial basis to provide the City with the opportunity to assess the efficiency and effectiveness of the change to the staffing process.

m. This trial period is for the October 2020 bidding process (establishing January 2021 assignments) and may be reopened at any time by the City or the FOP for any reason by notice to the three members of the Board of Arbitration during April 2021 to include any aspect of the bidding process.

This issue may be reopened by written notice by either Party to the Board Members during the month of April, 2021.

2. Other Employees
A procedure similar to that described in Paragraph (a) -- (b) above will be followed for regular position and shift assignments to employees “outside” of the Uniform Division. A separate such procedure may be established and applied to any reasonable “groupings” of such employees, as determined by the Chief of Police.

3. **Removal from Exempt Positions**

a. In the event that an exempt position is eliminated, reduced, or reorganized, removal will occur in order of inverse City-wide seniority.

b. Removal from a specialized position for reasons other than as stated in subsection (a) above shall be for reasonable grounds. Notice of such removal shall be accompanied by a written explanation setting forth the reasons. If a member wishes to appeal such decision to remove, they may use the grievance procedures set forth in Section 5 of this agreement.

c. Nothing in this section shall be construed to limit the City’s right to transfer employees in accordance with Section 3(E).

E. **Transfers and Reassignments**

1. **Permanent**

   Permanent transfers of employees from their regular position or shift assignments, at any Station, will be made only with the consent of each affected employee, so long as the regular position and shift assignment selected by him continues to be manned at his Station, during that calendar year, by the City.

2. **Temporary**
Station, position and/or shift transfers or reassignments, including in the Investigative Branch, of any employee(s) for a period not to exceed ninety (90) in any calendar year – shall be deemed “temporary.” Normally such transfers shall first be done through seeking volunteers and if an insufficient number of volunteers are available, then the transfers shall normally be made in inverse order of seniority. Such “temporary” transfers or reassignments are to be based upon Police service requirements, as determined by the Chief of Police. The Chief shall have an unfettered right to determine such requirements, and to make such temporary transfers or reassignments, during the period of this Agreement. However, no transfer under this paragraph may be made for disciplinary reasons. In the event of an emergency, the transfers may be made without first seeking volunteers or without reverting to the use of inverse order of seniority. If special skills or abilities are needed or if the transfer would result in overtime the transfer may be made without first seeking volunteers.

3. **Personal Transfers**

Any employee may request a transfer from one shift to another or one station to another within the Operations Division. All such requests shall be in writing with a copy to the FOP. Requests for transfer may be granted only for compelling personal reasons or inability to adequately perform assigned duties. Requests for transfer shall be granted provided there is a vacant position as determined by the City, available or another employee will consent to trade shift or station assignment with the employee requesting the transfer and the employee is capable of performing the assigned duties of the new shift or station. In the event that more requests are received than may be accommodated, preference in granting such transfers shall be based on length of continuous service. Final discretion as to whether or not a transfer is to be granted shall rest with the Chief.
4. Bureau Transfers

Employees may be transferred by the Chief, or their Commander, either temporarily or permanently, to another shift or station for the good of the Bureau. The City may transfer officers, for the good of the bureau, where events or circumstances, jeopardize the ability of the officers to safely perform the duties of their position, including pending litigation or disciplinary action. Bureau transfers, for the purpose of affording necessary police service, shall as far as practicable be in the reverse order of length of continuous service. Nothing in paragraphs (1) or (2) of this subsection prohibits the City from transferring employees from their picked job assignments at one Police Station or unit to another police station or unit in accordance with this paragraph.

5. Employees are to have two (2) weeks notice of permanent, involuntary transfers from any Police Station to another, except in the case of emergencies or as the needs of public safety require.

F. Seniority Roster Postings — Two (2) separate Seniority Rosters will be posted at each Police Station, one (1) listing the names, ranks, service dates, station and shift assignments of all bargaining unit employees and the other listing the names, ranks, service dates and shift assignments of employees at that particular Police Station. The City shall supply to the Fraternal Order of Police, a seniority list in inverse order of seniority with dates of promotion to last rank and category within the Pittsburgh Police. Said seniority list shall be provided to the Fraternal Order of Police no later than June 1st of each calendar year.
MANAGEMENT

SECTION 4 – MANAGEMENT

A. The City and the Director of the Department of Public Safety, through the Chief of Police shall have the exclusive right to manage, administer, and supervise the employees including the right to schedule and assign work, transfer, and the sole and exclusive right to determine the size and organization of the Police Bureau including the discretion to determine vacancies and to fill vacancies in accordance with the needs of the Bureau and the public safety as determined by the Chief of Police, Director of the Department of Public Safety, and the Mayor.

B. The parties recognize that the procedure for appointments, promotions, and reduction of force, suspensions and discharges is as provided by the Police Civil Service Act for Cities of the Second Class as amended as of January 1, 1976 (53 P. S. § 23531 et seq.), and the City shall obey the safeguards outlined in Section 21 in conducting internal investigations.

If the Legislature should, amend or enact statutes that mandate a process for the removal, discharge, suspension, reduction in rank or reduction in pay of employees in the competitive class then the collective bargaining agreement will be amended to reflect said changes.

C. Except in an emergency situation, the Chief of Police, Deputy Chief, Assistant Chiefs and Commanders will notify and provide a copy to the FOP, at least 15 days prior to the implementation of any change in the Rules and Regulations of the Bureau, and any new General Order. This notice is to provide the FOP with a chance to review and, if desired, to discuss the order or regulation in question with Police Administration.
D. FOP Bulletin Boards shall be provided at all stations and divisions subject to normal City rules and regulations against inappropriate usage.

E. The FOP shall be notified in writing by the City of any disciplinary action or actions taken by it against any member of the bargaining unit within seven (7) calendar days of such action.

F. The Mayor of the City shall provide the President of the FOP with a copy of his proposed budget for the next fiscal year at approximately the same time that the Mayor submits such proposed budget to City Council.

G. The FOP shall be notified in writing by the City of all new hires, promotions or terminations which occur within the bargaining unit, as well as any changes which materially affect the job status of members of the bargaining unit within fifteen (15) calendar days subsequent to such event.

H. The City may, at its sole discretion, subcontract any work presently performed by the bargaining unit. The City will engage in meet and discuss with the FOP prior to taking any such action.
GRIEVANCE PROCEDURE

SECTION 5 – GRIEVANCE PROCEDURE

A. The parties shall observe and be bound by Public Law 1183 of 1947 relating to strikes by public employees. (43 P.S. § 215.1 et seq.). During the term of this Agreement there shall be no lockouts. There shall be no strikes, work stoppages, interruption, or impeding of work, or concerted absences from work. No officer, board member or representative of the FOP shall authorize, instigate, aid or condone any such activities. The applicable procedures of this Agreement shall be followed for the settlement of all grievances.

B. DEFINITIONS

Grievance – A “grievance” is hereby defined as:

1. A complaint by an employee regarding the interpretation of application of, or compliance with this Agreement.

2. A complaint by the FOP regarding interpretation or application of, or compliance with this agreement.

3. Any disciplinary action resulting in discharge, suspension, written reprimand or demotion. The employee may elect to grieve any such disciplinary action to arbitration before a tripartite arbitration panel selected in accordance with the Police discipline appeals procedures of the contract.

4. The days for the filing and processing of grievances shall be calendar days.

5. The failure to process or answer a grievance within an established time limit presumes that it has been satisfactorily resolved.

6. The parties may extend the specified time limits in writing.
7. If the City fails to file a timely answer to a grievance, or the FOP fails to file a timely appeal to the next step, it will create a rebuttable presumption that the grievance is being settled by the party who fails to take timely action.

8. The parties, by mutual agreement, can expedite a grievance from Step 1 to Step 3.

9. Disciplinary termination grievances shall take precedence over contract grievances.

C. PROCEDURE

1. Step One

   a. Any employee who believes that he (or she) has a grievance and is unable to resolve the matter personally, must first notify his (or her) Commander of the Grievance orally or in writing before submitting a written grievance to the Chief of Police, on forms provided by the City, which shall (among other items) include the signatures of the Grievance or Assistant Grievance Committeeman and the employee. A copy of the written grievance must be contemporaneously provided to the Commander when it is submitted to the Chief of Police.

   b. To be considered, the written and signed grievance shall be submitted to the Chief of Police (or designee) within fourteen (14) days after the occurrence of the event giving rise to the grievance or within fourteen (14) days after the employee knew or reasonably should have known of the event giving rise to the grievance.

   c. The FOP’s representative and the Chief of Police (or designee) shall meet and discuss such grievances following receipt of the written grievance, at a meeting to be scheduled for such purpose at a time and place mutually agreeable to the parties. Such grievances will be discussed and answered
by the Chief within fourteen (14) days, after they are received. The Chief shall have authority to settle any grievance.

d. The answer of the Chief (or designee) and the date thereof shall be recorded on the Grievance Form, with a copy given to the aggrieved employee and to his/her FOP representative. If the Chief does not respond within fourteen (14) days, the grievance shall be considered granted, without necessity for further appeal.

e. If a grievance is not satisfactorily resolved at Step One, it may be appealed to the Step Two level by the FOP filing an appeal in writing within fourteen (14) days of the Chief's Step One answer.

f. Information and documents shall be exchanged in good faith during the grievance process by the City and the FOP with the arbitrator retaining the sole discretion on admission of the documents for evidentiary purposes at the arbitration hearing.

2. Step Two

a. In Step Two, the FOP's representative and the Mayor (or designee) shall discuss such grievances, following receipt of the written appeal to the latter, at a meeting to be scheduled for such purpose at a time and place mutually agreeable to the parties. Grievances discussed in such meeting shall be answered by the Mayor (or designee) in writing, within fourteen (14) days after the date of such meeting, unless a different date for such disposition is agreed upon by the parties. If the City is unable or unwilling to meet within fourteen (14) days then the FOP may proceed to Step III without prejudice to the positions of either party.
b. If the Step Two meeting is held, and if the Mayor’s answer in Step Two is not appealed in writing within fourteen (14) days after the written answer by the Mayor (or designee) the particular grievance shall be considered settled on the basis of such decision, and shall not be eligible for further appeal. If the Mayor (or designee) does not answer within fourteen (14) calendar days, the grievance shall be considered granted, without necessity for further appeal. The resolution at this step shall be final and binding should a Party fail to meet the time period specified, with the grievance either being denied with prejudice or granted, with the remedy being implemented which is consistent with the relief requested by the FOP in the grievance and the contractual provisions at issue.

3. Step Three

a. Any grievance which has been processed in accordance with the provisions of this Section, but which has not been satisfactorily resolved may, upon proper appeal, be submitted to arbitration before an impartial Arbitrator to be selected from the list of impartial arbitrators established by the parties as set forth below.

i. The City and the FOP shall each submit the names of twelve (12) arbitrators who are members of the National Academy of Arbitrators.

ii. The first nine (9) names that appear on both lists shall comprise a permanent panel of arbitrators.

iii. If less than nine (9) names appear on both lists, all names that appear on both lists shall be on the permanent panel and the remaining names shall be combined into one list.
iv. From the combined list of names, each party will alternately strike one name (the City shall strike first) until a total of nine (9) arbitrators have been selected overall.

v. The nine (9) selected arbitrators, in alphabetical order, shall comprise the panel of Arbitrators for the term of this Agreement.

b. The Arbitrator shall be requested to submit his decision, in writing, within thirty (30) days after the conclusion of the hearing or hearings (and/or receipt of any transcript and/or briefs thereof) and the decision of the Arbitrator, so rendered shall be final and binding upon the employee involved and upon the Parties to this Agreement. Where a dispute relates to the scale of wages or benefits in any way, any decision rendered shall not be made retroactive for more than thirty (30) days beyond the date on which the dispute first was presented, in writing, as a grievance. The fees and expenses of arbitration shall be borne in equal shares by the City and the FOP. The Arbitrator shall not have the right to add to, subtract from, modify, or disregard any of the terms or provisions of the Agreement.

D. MULTIPLE GRIEVANCES AND FOP GRIEVANCES

In order to avoid the necessity of filing numerous grievances on the same subject or event, or concerning the same alleged contract violation occurring on different occasions, a single grievance may be processed and the facts of alleged additional violations including the dates thereof may be presented in writing directly in Step 2. Such additional claims shall be filed promptly and each additional claimant shall be clearly identified. When the original grievance is resolved in the grievance or arbitration procedure, the parties resolving such grievance shall review each pending claim in the light of the decision in an effort to dispose of them. If any such claim is not settled, it shall thereafter be considered as a separate grievance and processed in accordance with the applicable procedure and the applicable time limitations.
E.  GRIEVANCE REPRESENTATIVES

1. The FOP shall designate to the City in writing the names of the FOP officers and shall certify in writing the names of eighteen (18) authorized grievance representatives. Any changes in FOP representation shall be recognized by the City only after the changes are certified to the City in writing by the FOP.

2. Authorized grievance representatives will be allowed time off without pay to attend meetings and hearings and to visit other work sites for the purpose of transacting grievance business after notice to the supervisor. Such permission for time off shall not be requested when the FOP activity could reasonably be performed during non-working hours, and, such permission shall not be unreasonably withheld by the supervisors involved.

3. Bargaining unit members appointed to the Tripartite Panel shall be considered to be on-duty during meetings of the tripartite panel. Bargaining unit members shall account for their time on a Departmental time sheet.
SECTION 6 – SALARIES

A. In each calendar year of this Agreement, the basic hourly and annual salary rates for bargaining unit job classifications shall be established as follows:

Effective January 1, 1998 there shall be one grade of detective which shall be paid at the rate of four and one half (4.5%) percent above the fourth year police officer rate. All existing first grade detectives shall maintain a rate of one and one half (1.5%) percent above the detective rate.

B. In determining the hourly rate to be applied for overtime and any other purpose under this Collective Bargaining Agreement, the hourly rate shall be determined by dividing the annual base rate by 2,080.

C. If an employee is transferred into the Detective Bureau and assigned to perform the duties of the detective job description, the employee shall be paid at the rate for a Detective effective after having been assigned to the Detective Bureau to perform the duties of the detective job description for ninety (90) days in any one hundred twenty (120) day period. A police officer so assigned shall be paid the rate of a Detective based on his or her assignment to work in the Detective Bureau as a detective for ninety (90) days in any one hundred twenty (120) day period whether or not the police officer is appointed as a graded detective pursuant to the Civil Service procedures applicable to the City of Pittsburgh Police Department. If a person is assigned to an Investigative position and is not made a graded detective, he/she shall have the right to be addressed as “detective” for the duration of their assignment. An officer assigned to a detective position shall be required to complete only one ninety (90) day probationary period in order to be eligible to receive detective pay. If an officer is transferred from a detective position, after completion of the
probationary period, any subsequent reassignment to a detective position shall result in the officer being immediately eligible for detective pay.

D. If an employee is assigned to a higher graded position by a Lieutenant, Acting Lieutenant, or higher ranking officer, the employee shall be compensated for all hours so worked at the standard hourly wage rate of the position to which assigned. Assignment of an employee to the grade of Acting Lieutenant must be approved by a Commander, Assistant Chief or the Chief.

E. Effective January 1 2018, Lieutenant rank differential shall be 14% above Sergeant pay rate and Sergeant rank differential shall be 14% above Master Patrol Officer pay rate. All other existing rank and grade pay differentials shall remain as is.

F.

1. Wage increases for each position in the bargaining unit for 2019 shall be paid retroactively based upon the December 31, 2018 salary scale as follows:
   - January 1, 2019: 1.0%
   - April 1, 2019: 1.0%
   - July 1, 2019: 2.0%

2. Wage increases for 2020 shall be paid retroactively based upon the salary scale of December 31, 2019 as follows:

   - July 1, 2020: 2.0%
3. Wage increases for 2021 shall be calculated based upon the salary scale of December 31, 2020 as follows; all ranks shall be increased by 2.0%.
   January 1, 2021: 3.0%
   July 1, 2021: 1.0%

4. Wage increases for 2022 shall be calculated based on the salary scale of December 31, 2021 as follows:
   January 1, 2022: 3.0%
   July 1, 2022: 1.0%

The salary scale shall be attached as Appendix A in the final integrated Working Agreement.

5. To determine appropriate police officer pay grades, continuous service status is as defined in Section 3 – Seniority (A)(1)(2)(3) and (4).

B. The annual dollar amount of longevity received by any officer under the above plan shall not be less than the dollar amount of longevity received by that officer in 2009. An officer will continue to receive the same, frozen amount of longevity pay under the 2009 plan until such time as his annual payment under the above plan exceeds the former plan. Thereafter, the officer will receive annual payments pursuant to the above plan.

C. If City Council has approved supplemental pay for officers involuntarily called to military duty, said officers will receive longevity pay without satisfying the One Day Work Rule. This provision will be effective retroactive to January 1, 2002.

D. The longevity payment shall be paid in the first pay period following the employee’s anniversary date, provided, however, that any employee who has achieved twenty (20) years of service shall be paid in February.

E. Except as provided in paragraph B and paragraph C, no officer shall be entitled to receive longevity pay unless the officer works a minimum of one (1) day in that calendar year.
A. This Section defines the normal hours of work, but shall not be construed, either, as a
guarantee of hours of work and pay or as a basis for calculating overtime hours of work
and pay, except as provided for, otherwise, in this Agreement.

1. The normal workday shall be eight (8) consecutive hours of work. An employee
shall be entitled to a meal period of one-half (1/2) hour while on duty during the
eight (8) hour work period. It is understood that the employee is on duty and on
call at any time during the meal period.

2. The normal workweek shall be five (5) workdays beginning on the first day of any
seven (7) consecutive day period which may begin on any day of the calendar week.
Workdays shall be consecutive except for days off. The normal two (2) days off
shall be consecutive days off.

3. The normal workweek shall apply except in emergency cases for the suppression
of riots or tumults or the preservation of the public peace in times of riot,
conflagration, or public celebrations.

B. Time spent by employees in attendance in Court and Magistrate sessions, including lunch
breaks, as required by subpoena by the District Attorney’s Office or as required by the
Chief of Police, is time worked and shall be compensated as such. Such time worked shall
be compensated at the regular rate or at the overtime rate, depending upon whether it
qualified as straight-time or overtime, provided, however, that employees required to
attend pretrial or Federal, State, County, or City Court and Magistrate sessions shall be
guaranteed at least three (3) hours pay at the applicable rate. This paragraph shall also
apply to Law Department and Human Relations Hearings, Merit Board, OMI interviews,
and in Trial Boards and Boards of inquiry for sitting members or witnesses for the prosecution.

An officer who appears in court as a defendant in a civil or criminal case arising out of the performance of police duties may elect to have his shift changed to coincide with scheduled court appearances. An officer electing such change would waive any claim to overtime within a twenty-four (24) hour period in relation to his regularly scheduled shift. Subject to the approval of the County and the courts, an officer required to attend City Court must select either morning or afternoon schedule for court hearings. No election will be honored, however, if it would create a claim for overtime compensation that would not otherwise exist.

C. An employee whose court appearance continues into the employee’s shift shall be entitled to pay for time worked only. The three hour court appearance guarantee shall be inapplicable.

An employee whose court appearance starts one and one-half hours or less prior to the employee’s shift may be required to report for duty immediately after the court appearance and the three hour court appearance guarantee shall be inapplicable.

If an employee’s court appearance starts more than one and one-half hours prior to the employee’s shift and ends prior to the employee’s shift, the three hour court appearance guarantee shall be applicable whether or not the employee is asked to report to work immediately after the court appearance.

If a court appearance occurs more than one and one-half (1 ½) hours after the end of an employee’s shift, the employee shall be entitled to the three (3) hour court appearance guarantee whether or not the employee is held over until the appearance begins.
If a court appearance occurs one and one-half (1½) hours or less after the end of an employee shift, the employee may be held over for the court appearance. In this event, the employee shall be paid for hours worked only and the three (3) hour court appearance guarantee shall be inapplicable.

An employee required to make two court appearances in a day may be held over on duty from the first to the second court appearance. In this event the three hour court appearance guarantee is applicable only to the first court appearance.

Overtime hours accrued as a result of court time can, at the discretion of the officer, be paid as overtime or be banked as compensatory time subject to the rules and procedure set forth in Section 26.

D. Call Outs—Except for Court or Magistrate sessions covered by Paragraph B above, an employee called out to work for any period other than the period of his or her previously scheduled hours of work shall be guaranteed at least four (4) hours of work or pay and shall be compensated at applicable overtime pay rates for such ‘call out’ time. Previously scheduled hours of work of any affected employee shall not be rearranged or reduced because of call out work under these provisions.

E. Except in “emergency” situations, or where requested and agreed to by the affected employees, any change in previously scheduled hours of work shall be made and posted no later than Thursday of the week preceding the calendar week in which the change is to take effect, or by the end of the last shift worked by the affected employee during that preceding week, whichever occurs first.

F. When any change is made in the schedule of, any employee in any manner contrary to the provisions of Paragraph E above, he/she shall be deemed to have reported for work on his regular shift and shall be paid on that basis, with all other hours worked on that day compensated for, at the appropriate “overtime” pay rate.
G. The Chief (or designee) may waive the “40 hour work rule” by permitting officers to accrue overtime after 8 hours of work during the work week encompassing a Special Event. For purposes of this Section a “Special Event” shall be defined to include: First Night, St. Patrick’s Day (and related parades), Light Up Night, Independence Day, Regatta, Great Race, Marathon, Pride Fest, and Sports Championships. The Chief (or designee) may also elect to waive the “40 hour work rule” up to six additional times per calendar year.

This issue may be reopened by written notice by either Party to the Board of Arbitration during the month of April 2021.

H. Shift differential - For hours worked on the afternoon shift there shall be paid a premium rate of 2.00% of the hourly rate; and for hours worked on the night shift there shall be paid a premium rate of 3.00% of the hourly rate; and for hours worked between 4:00 P.M. and 11:00 P.M. there shall be paid a premium rate of 4.00% of the hourly rate.

1. For purposes of applying the aforesaid shift differentials, all hours worked by an employee during the workday shall be considered as worked on the shift on which he or she is regularly scheduled to start work, except,

   a) An employee regularly scheduled for the day or afternoon shift who completes his or her regular eight-hour turn and continues to work into the following shift shall be paid the applicable shift differential for all hours worked on the following shift.

   b) An employee who completes his or her regular eight hour turn and after going off duty is called out for another shift within the same workday shall be paid the applicable shift differential if any, for the hours works on the other shift.

2. Shifts shall be identified in accordance with the following:
a) Day Shift includes all turns regularly scheduled to commence between 6:00 a.m. and 8:00 a.m. inclusive.

b) Afternoon Shift includes all turns regularly scheduled to commence between 2:00 p.m. and 4:00 p.m. inclusive.

c) Night Shift includes all turns regularly scheduled to commence between 10:00 p.m. and 12:00 a.m. inclusive.

3. Shift differential shall be included in the calculation of overtime compensation, except when such overtime results from an appearance in court but shall not be part of the base wage for any other purpose.

4. Any hours worked by an employee on a regularly scheduled shift which commences at a time not specified in Paragraph 2 above shall be paid as follows:

a) For hours worked which would fall in the prevailing day turn of the Bureau no shift differential shall be paid.

b) For hours worked which would fall in the prevailing afternoon turn of the Bureau the afternoon shift differential shall be paid.

c) For hours worked which would fall in the prevailing night turn of the Bureau the night shift differential shall be paid.

d) For all hours worked by an employee during any shift which begins after 4:00 p.m. and before 11:00 p.m., the employee shall be paid a shift differential of 4.00% of the hourly rate.
I. EXCHANGE OF PASS DAYS

1. Employees assigned to the same station, division and of equal rank may exchange complete pass days and tours of duty, subject to the approval of the Assistant Chief and/or his Designated Representative.

2. No overtime liability due to such exchanges shall accrue to the City nor shall the City assume responsibility for enforcement or repayment of time between the officers involved.

3. In no event are exchanges of duty tours to be granted in order for any employee to make profit or for the purpose of assuming outside employment of any length or duration.

I. Nothing in the Award of December 30, 2004 shall be construed to change the present practice regarding minimum pay for court appearances.
SECTION 9 – OVERTIME

A. DEFINITIONS

1. The workweek shall consist of seven (7) consecutive days beginning 12:01 a.m. on Monday.

2. The workday is the twenty-four (24) hour period beginning with the time the employee begins work.

3. The regular rate of pay as used in this Agreement shall mean the standard hourly wage rate which the employee would have received for the work assigned had it been performed during the 40 hour work week.

4. For purposes of overtime payments, based on Wheeler v. Hampton, 399 F.3rd 238 (C.A.3 (Pa.) 2005), the annual base pay will include longevity pay, and shift differential at the median rate, proposed by the City of three (3%) percent.

B. Overtime rates of one and one-half (1½) times the regular rate will be paid for:

1. During any workweek wherein an officer actually works more than forty hours, the hours in excess of forty hours will be paid at a premium rate of one and one half times the officer’s regular rate. Overtime hours accrued as a result of this provision can, at the discretion of the officer, be paid as overtime or be banked as a compensatory time subject to the rules and procedure set forth in Section 26.

C. The City may not cancel a police officer’s pass day on a non-emergency basis without first offering to fill the staffing need with another officer on a voluntary basis. The City may offer the opportunity to other officers in the zone or officers in other zones (including the reassignment of officers from plain clothes to uniform
patrol) on a voluntary basis. An emergency shall be defined by Section 8 (A) (3). If officers are forced to work on pass days, then the order of selection shall be by inverse seniority. If officers are forced to work on pass days, then the order of selection shall be by inverse seniority.

D. Payment of overtime rates shall not be duplicated for the same hours worked. Hours compensated for at overtime rates shall not be counted further for any purpose in determining overtime liability under the same or any other provisions of this Agreement.

E. Improper Absenteeism Exclusion

Any employee who absents himself (herself) from work without permission or justification, or whose pattern of absences otherwise demonstrates an abuse (it is to be noted that patterns of attendance abuse do properly subject an employee to discipline), and who does not challenge the determination that such absence(s) were made without permission or justification, under this Agreement, may be required to make up the time not worked, in four (4) hour periods, at any time and in any assignment directed therefore, by the Chief of Police.

All “make up” work under this provision will be compensable on a “regular time” pay basis; provided that any affected employee be accorded an option to elect and accept a suspension penalty for periods not to exceed three (3) days and a fine in an amount not to exceed three (3) days’ pay, in addition—in lieu of such make-up work—for each improper absence. Any unchallenged improper failure by the employee to “make up” any time lost, as directed by the Chief, shall be deemed an election and acceptance of a suspension penalty and fine under this Section.

Any election and acceptance of such suspension penalty and fine under this provision shall be deemed to constitute a waiver of any right to protest that suspension penalty and fine, under any City or State Law or Agreement provision in effect at the time.
F. All shift changes shall occur on the first of each month. The first eight (8) hours worked on the first day of a new schedule shall be compensated at straight time.

G. The existing DCOP-17-060 Memorandum, dated March 25, 2017, shall be continued with amendment to include NROs. This issue may be reopened by written notice by either Party to the Board Members during the month of April, 2021.

H. OVERTIME PAY AND ACTING PAY OPPORTUNITIES

1. Whenever the need arises to hire on over time a lieutenant or sergeant (and on-duty manpower is not available), hire the person of the rank to be filled if the cost is the same as hiring a lower rank to act in a higher capacity. (Thus, the practice will continue of making a lower rank act in a higher capacity, as long as it is not on overtime and the cost is only acting pay.)

2. As long as the lieutenant or sergeant who is offered the overtime is not on pass, this will prevail. A lieutenant or sergeant who is on pass is free to volunteer to work at time and a half, provided he/she agrees not to demand the overtime rate applicable for pass day work. This in no way creates a mandatory manning level, and the Bureau will continue to have a lower rank act if on-duty manpower is available.

3. Offers will be made consistent with the terms of DCOP-17-060.

4. When there is an opportunity to offer an acting duty assignment to a lower ranking officer, officers who are currently on the active promotion eligible list for the rank to be filled will be offered the opportunity. Where there is no current or valid promotional list, the City may utilize any officer that it deems qualified to fill the temporary vacancy.
5. If this procedure is violated by anyone under the rank of Commander, there will not be any grievances accepted by the FOP, and the City will not be required to pay any amount to the lieutenant/sergeant who was not offered the overtime.
HOLIDAYS

SECTION 10 – HOLIDAYS

Each employee shall be entitled to the following holidays:

(1) New Year’s Day (January 1)

3. If an employee shall be held over to work on the actual calendar day holiday as listed in this section, he or she shall be paid the holiday rate for the hours that he or she is held over to work on the holiday. If an employee is held over to work following their normal holiday shift, he or she shall be paid at the regular overtime rate.

C. UNWORKED HOLIDAYS

When a holiday falls on a pass day, an employee shall receive the choice of pay at straight time for the holiday or equal compensatory time off with pay. An employee shall be paid straight time on the holiday unless he or she elects in writing to choose equal compensatory time off before the end of the last shift scheduled and worked prior to the pass day on which the holiday occurs.

D. Equal compensatory time shall be scheduled at the discretion of the Chief of Police. Equal compensatory time off may be accumulated no longer than three hundred and sixty-four

E. No officer shall be entitled to receive holiday pay unless the officer works a minimum of one (1) day in that calendar year.

F. Unused deferred holidays shall be paid to an employee upon termination and/or retirement.
VACATIONS

SECTION 11 – VACATIONS

Each eligible employee shall be entitled to vacation after one (1) year of service from the beginning date of employment and during each subsequent calendar year.

A. To be eligible for a vacation in any calendar year during the term of this Agreement an employee must have continuous service from the date of first employment with the City as set forth below. If continuous service is broken for any of the reasons listed below, an employee who is reinstated must work for one (1) year prior to using vacation. Continuous service will be bridged in accordance with Section 3B of this agreement to determine vacation entitlement.

B. For vacation entitlement purposes only continuous service shall be broken by:

1. A quit. Absence for twenty (20) consecutive workdays without notice to the City shall constitute a quit.

2. Discharge for cause.

3. Absence due to a physical disability for more than one year, provided that an absence due to compensable disability which extends beyond one year shall not break continuous service if the employee reports himself or herself available for work within thirty (30) days after final payment of statutory compensation for such disability.
4. A lay off is not a discharge for cause and does not constitute a break in service for vacation purposes.

C. Any otherwise eligible employee, who has attained the years of continuous service indicated in the following table in any calendar year during this Agreement, shall receive a vacation during such calendar year corresponding to such completed years of continuous service as follows:

<table>
<thead>

<td>two (2)</td>
</tr>

<tr>
<td>Ten (10) through fourteen (14)</td>
<td>four (4)</td>
</tr>
<tr>
<td>Fifteen (15) or more</td>
<td>five (5)</td>
</tr>
</tbody>
</table>

In no event shall a vacation or vacation pay to which an employee may be entitled be carried over or accumulated from one calendar year to the next, except as provided for in Section K of this Section.

D. VACATION SELECTION

1. Between December 1 and December 15, each employee shall specify in writing his or her vacation preference for the following year.

2. Employees with longer continuous service will be given preference in vacation selection by rank as of January 1 of the calendar year in which the employee becomes eligible.

3. No later than January 1 of each year notice of the vacation periods scheduled shall be posted.
4. The City shall establish guidelines for each branch, station and section for allotting the number of employees to be allowed off on vacation at any one time. Such guidelines shall be posted prior to December 1 each year.

5. The City has the final discretion to allot vacation periods throughout the calendar year and to change such allotments in order to meet the needs of public safety.

6. The City shall not be required to establish vacation allotment quotas which permit more than twelve percent (12%) of its total work force assigned at any work station to be on vacation at any given time. Vacation period preferences will be given priority over any discretionary leaves of absence granted by the City.

7. If an employee is involuntarily transferred to another duty station, his earlier approved selection of a vacation period or periods shall not be changed without the consent of such employee.

8. An employee who will be on disability leave between December 1 and December 15 of any calendar year shall be notified by the City in writing prior to December 1 that he may select his vacation period or periods for the subsequent calendar year during the December 1 to December 15 period of the then current year.

G. Employees required to “work” as defined in Section 8B on a vacation day shall be given the option of receiving time and one-half for the vacation day worked (in addition to regular vacation pay) or of taking eight (8) hours compensatory time off with pay at straight time rates, at a later date.
H. An employee shall have the option of starting a vacation week or weeks immediately after his pass days or the Sunday prior to his pass days.

I. Prime time for the selection of vacation purposes shall be defined as the period of time commencing on the workweek including June 15 and ending at the conclusion of the workweek including September 15.

J. Employees shall be permitted to use up to three weeks of vacation time as single vacation days each year. Absent written approval from management, all single vacation days must be used prior to December 15th each year.

K. All members of the bargaining unit shall be permitted to carry five (5) vacation days into the following year which must be used or lost by no later than May 31 of the following year. Vacation days used in accordance with this provision shall be paid at the daily rate in effect at the time of usage.

L. No officer shall be entitled to receive vacation pay unless the officer works a minimum of one (1) day in that calendar year.
SECTION 12 – UNIFORMS

A. 1. Any officer who has accrued sick days as of December 31, 2004, may freeze the number of sick days in a bank. These sick days may be used during the waiting period before disability benefits. Upon retirement, the City will buy back 100% of the number of accrued whole sick days. by the employee on the date of retirement.

perform his or her duties because of illness or other physical disability if the employee is
off for more than three (3) consecutive days.

regulations as shall be reasonable and necessary to prevent any abuse of sick leave, by an
employee.

Such requests for personal leave time off shall be responded to by the City within forty-eight (48) hours of the request. Final discretion to schedule personal leave time off shall rest with the City, but such requests shall not be arbitrarily or capriciously denied. In the event that more requests are received than can be allowed for the same day, then the time off shall be awarded on the basis of seniority. The officer’s shift lieutenant will have the discretion to deviate from the 72 hour notice referenced in COP #03-549 under appropriate circumstances, provided the lieutenant documents the time the personal leave request was received and the reason it was granted (i.e., sufficient scheduled manpower on duty).

L. REHABILITATION PROGRAM

Officers requiring rehabilitation for drug and alcohol related problems shall be granted up to twenty-eight (28) days of leave which may, at the officer’s option, be deducted from any accumulated leaves such as vacation, sick leave (etc.). If within six (6) months after successful completion of the program and return to duty that officer uses not more than seven (7) days of sick leave, all paid leave utilized shall be restored to the officer. Officers may avail themselves of this program only once.

The City shall pay the full cost of such insurance including any rate increases which occur during the term of this Agreement.

2. Each employee who retires during the term of this Agreement shall, upon such retirement, be provided seven thousand five hundred ($7,500) dollars of life insurance coverage, to include such coverage as provided under any disability retirement benefits granted under the Pension Plan in effect on January 1, 1976.

B. HEALTH INSURANCE

I. Active Police Officer Health Insurance

1. a. The City will continue to offer the current two health care plan designs, the Basic Plan (“Next Generation PPO 90/10 Plan”) and Premier Plan (mirroring the current 2019 benefits provided to active fire fighters, regardless of future changes in the Fire Plan). The police plan benefits shall not change because the Fire Fighter’s Plan changed.

b. Effective January 1, 2019, police officers shall contribute sixteen and one-half (16.5%) percent of the annual cost/ premium for health insurance, vision care and the dental plan. The calculation of the employee contribution of 16.5% shall be in accordance with the prior arbitration awards of Arbitrator Jane Desimone (10/5/2018), Arbitrator Michael
Zobrak (3/22/07) and Arbitrator John Skonier (12/30/2004); while self-insured, the trending and fluctuation margins/fees shall not be applied in determining the annual cost/premium nor shall there be a surcharge such as the 2% levied in the past.

c. The City has the right to purchase fully insured health care plans and to continue the 16.5 percent of actual premium charged or to self-insure for the purposes of health care coverage.

d. It is recognized that the City will make annual adjustments to the contribution amounts based upon the calculation as set forth in paragraph b (of Section 14(B)(I)(1) above)

e. The FOP may utilize the grievance procedure to challenge the amount of any annual adjustment.

f. The City has the right to purchase fully insured health care plans or to self-insure for the purposes of health care coverage.

The City shall have the right to change the existing medical, surgical, and hospitalization insurance plan, which is comparable to the coverage presently being provided. The FOP, however, retains the right to grieve the City's determination that the plan is comparable. If the FOP does not agree that a plan selected by the City is comparable it will so state, in writing, to the City within fourteen (14) days of the plan being provided to the FOP by the City, or such longer period as mutually agreed to by the parties. In that event, the City may not unilaterally implement the proposed new plan, however, it may immediately process the dispute before a neutral arbitrator selected pursuant to the arbitration step of the grievance procedure. The decision of the arbitrator on this comparability issue shall be issued within forty-five (45) calendar days of the FOP’s written notice contesting that the plan selected by the City is comparable and shall be final and binding and will determine if the City is authorized to implement a new plan.
If the City receives notice or information indicating that its health care plan costs will subject the plan to the Affordable Care Act’s “Cadillac Tax” excise tax, the City will give the FOP written notice of that fact and the parties will immediately meet to discuss changes in the plan design, plan and/or plan carrier in order to avoid the imposition of the tax. If no agreement is reached within fourteen (14) days of the City’s written notice to the FOP regarding this issue, then the parties will proceed to an expedited arbitration proceeding with an arbitrator selected pursuant to the terms of the Working Agreement’s grievance and arbitration procedure. The sole purpose for that expedited arbitration proceeding will be for the arbitrator to modify the plan, plan design and/or plan carrier in order to eliminate the exposure to the Cadillac Tax. The decision of the arbitrator on this issue shall be issued within forty (40) calendar days of his or her appointment.

2. Future pre-Medicare retirees, provided they were hired prior to January 1, 2005, will be offered the same plan choices as active employees.

5. a. If an employee covered under this agreement, is married to another employee of the City, only one employee shall receive health insurance coverage through the City. The employee that receives health insurance through the City shall provide health insurance coverage for both City employees and eligible dependents. The employees involved may decide which employee will receive such insurance. If the employee covered under this agreement does not receive health insurance coverage through the City, he or she may enroll in the waiver program explained in Section 14(B)(5)(c).

   b. If an employee, covered under this agreement, is married to an individual who has health insurance coverage through an employer other than the City, the
City employee may waive health insurance coverage through the City. If the employee covered under this agreement does not receive health insurance coverage through the City, he or she may enroll in the waiver program explained in Section 14 (B)(5)(c).

c. The City will only accept a waiver of health insurance coverage if the employee provides proof that he or she is enrolled in another health insurance plan. Acceptable proof will be an enrollment card with the subscriber’s name, identification number (Social Security Number) and group number. The City reserves the right to verify that the employee is enrolled in another health insurance plan.

An employee will only be permitted to re-enroll in the City's health insurance program if such a change causes the employee waiving health insurance coverage to lose his or her other health insurance coverage. Re-enrollment into the City's health insurance program will be effective so as to prevent a lapse in coverage. The City will require proof that the life and family status change has occurred.

6. In the event an officer is "killed in service," health care coverage identical to that offered to active police officers shall be granted, without contribution, to the officer's surviving spouse and surviving dependents.

f) The couple has been together for a minimum of twelve (12) months prior to registration and has not terminated another registration with the City of Pittsburgh less than twelve (12) months prior to the instant registration.

The parties further agree that employees who:

1. Complete an affidavit confirming the above and continue to adhere to the principles stated; and

2. Provide three (3) documents demonstrating mutual responsibility, i.e. joint utility bills, joint bank accounts, joint leases, etc.

will be eligible for benefits under the domestic partner/common law spouse benefits program.
II. Retiree Health Insurance

6. a. Any employee who retires after January 1, 1979, who at the age of 65 is not covered by Medicare or is not covered by some other kind of medical insurance shall receive up to a maximum of $50 towards the cost of providing such coverage.

b. Any employee who retires after January 1, 1980, who at the age of 60, is not covered by Medicare or is not covered by another such medical insurance plan shall receive monthly payments up to a maximum of fifty dollars ($50.00) toward the cost of providing such coverage.

Any retiree who terminates his/her Husband and Wife BC/BS/MM Indemnity plan for a managed care plan will be permitted to re-enroll in the BC/BS/MM Indemnity Plan only once. During a future open enrollment period, any subsequent termination of the BC/BS/MM Indemnity plan for a managed care plan will be irrevocable. Such an election into a managed care health insurance plan will be voluntary.

IV. If the retiree selects a managed care plan, his/her monthly pension deduction will be the difference between the Individual rate paid by the City at the time of retirement and the applicable premium for the selected managed care plan.

7. Any employee who retires after January 1, 1984 will be allowed to continue his or her medical insurance coverage for himself/herself and spouse only, through the City. The City shall contribute towards the cost of this husband and wife coverage, for each employee so electing, an amount equal to the
amount charged for such insurance by the carrier providing such coverage on the date of his/her retirement. Spouse, as defined in this retiree health insurance section, is defined to mean the spouse at the time of retirement.

For any employee who retires on or after January 1, 1984 the City will be the health insurer of last resort. As the health insurer of last resort, the City will provide health insurance benefits, for a Police Officer and his/her spouse, who retires after January 1, 1984, where such Police Officer and his/her spouse does not have access to enroll in any other group health insurance plan. c. The parties agree that a termination of coverage which will entitle the retiree/spouse to a reinstatement of City health insurance benefits does not include a voluntary termination of coverage so that the retiree/spouse may elect the City’s health insurance coverage. The retiree must provide the City with a written notification of any termination of his/her health insurance benefits within thirty (30) days of the termination in order to ensure no lapse in coverage.

d. The City will upon an employee’s retirement require acceptable proof that the retiring employee (and his/her spouse) is not covered or eligible for medical insurance coverage by another source. The City shall require annual verification of continued eligibility for coverage. Acceptable proof, as determined by the City, may be a notarized affidavit or a copy of the employee’s Federal Income Tax Return. Employees shall be able to redact their Federal Tax Return to exclude financial information not related to verification of employment.

for each Police Officer who reaches age 65 in those instances where
the Police Officer is not eligible for Medicare directly, or through
the Police Officer's spouse. Each retired Police Officer, upon
reaching age 65, must provide the City with proof acceptable to the
City that the Police Officer is not eligible for Medicare benefits,
either directly or through his/her spouse. If sufficient proof is not
provided, the City's obligation will be to fund the Medicare
supplement benefit provided by Blue Cross of Western
Pennsylvania and Pennsylvania Blue Shield (BC/BS).

i. The City and FOP will provide as an option a Medicare Risk HMO
agreement to replace the benefits in Section 14 (B)(7)(h). The City
will pay the full cost of this program and participation will be

permitted to re-enroll in the BC/BS Medicare Supplement plan only
once. During a future open enrollment period, any subsequent
termination of the BC/BS Medicare Supplement for a Medicare Risk
HMO plan will be irrevocable.

b. Any employee who retires after January 1, 1996, who after retirement has group medical coverage or Medicare or access to such coverage from another source either through his/her employment or through his/her spouse will not continue to receive health insurance benefits from the City of Pittsburgh, provided however, that should such coverage terminate or cease to be available the employee will be reinstated to his/her medical insurance benefits by the City of Pittsburgh.

c. The parties agree that a termination of coverage which will entitle the retiree/spouse to a reinstatement of City health insurance
benefits does not include a voluntary termination of coverage so that the retiree/spouse may elect the City's health insurance coverage. The retiree must provide the City with a written notification of any termination of his/her health insurance benefits within thirty (30) days of the termination in order to ensure no lapse in coverage.

d. The City will upon an employee’s retirement require acceptable proof that the retiring employee (and his/her spouse) is not covered or eligible for medical insurance coverage by another source. The City shall require annual verification of continued eligibility for coverage. Acceptable proof, as determined by the City, may be a notarized affidavit or a copy of the employee’s Federal Income Tax Return. Employees shall be able to redact their Federal Income Tax Return to exclude financial information not related to verification of employment.

Any retiree who resides in a local area where he/she can reasonably access the resources of the provider networks of the above plans will be covered by one of these plans.

g. If as a result of a change in residence, a retired Police Officer no longer has the ability to reasonably access the resources of any of the provider networks, the City will provide the retiree with the
BC/BS/MM Indemnity plan. To receive this reimbursement the retiree will have to provide the City with acceptable proof that he/she is purchasing a managed care plan.

h. The City shall continue to provide, at the City’s expense, medical insurance for each Police Officer who reaches age 65 and is eligible for Medicare directly, or through the Police Officer’s spouse. Each retired Police Officer, upon reaching age 65, must provide the City with proof acceptable to the City that the Police Officer is eligible for Medicare benefits, either directly or through his/her spouse. If sufficient proof is not provided, the City’s only obligation will be to fund the Medicare Risk HMO plan provided by Blue Cross of Western Pennsylvania and Pennsylvania Blue Shield (BC/BS) only.

For those retired Police Officers and spouses who are eligible for and enrolled in Medicare Part A & B, the City will provide a BC/BS or HealthAmerica or US HealthCare Medicare Risk HMO plan.

The City shall also reimburse the retired police officer, and his/her eligible spouse, for their respective Medicare Part B premium(s). The City will pay the assessed Medicare Part B premium, and subsequent increases, providing the retiree, and his/her spouse, apply for Medicare Part A & B benefits prior to first becoming eligible for Medicare Part A & B coverage. The City will not pay any penalties to the Medicare Part B premium if the retiree, or his/her spouse, make a late application for Medicare Part A & B benefits.
i. The City shall continue to provide, at the City’s expense, medical insurance for each Police Officer who reaches age 65 where the Police Officer is not eligible for Medicare directly, or through the Police Officer’s spouse. Officers not eligible for Medicare Part A & B will be eligible for the plan described in section 14 (B)(1).

9. Any employee who retires after January 1, 2001, provided he or she was hired before January 1, 2005, will be allowed to continue his or her medical insurance coverage for himself/herself and spouse only, through the City. The City shall contribute towards the cost of this husband and wife coverage, for each employee so electing, an amount equal to the amount charged for such insurance by the carrier providing such coverage on the date of his/her retirement. The plan(s) that the City will provide are the same plan choices provided to active employees described in Section 14 (B)(1).

For any employee who retires on or after January 1, 2001 the City will be the health insurer of last resort. As the health insurer of last resort, the City will provide health insurance benefits for a Police Officer and his/her spouse who retires after January 1, 2001, where such Police Officer and his/her spouse does not have access to enroll in any other group health insurance plan. The City’s obligation to provide continuation of health insurance coverage is terminated if the employee is or becomes employed or self-employed or has access to private medical insurance coverage or Medicare through his/her spouse or if his/her spouse has private medical insurance or Medicare or any opportunity to obtain such coverage.

If at the time of retirement the Police Officer has eligible dependent children, for purposes of benefit coverage, the Police Officer may continue coverage for the eligible dependent children by paying the individual tier rate for each child for a maximum of 18 months, according to COBRA
legislation. Coverage past 18 months will only be provided if a qualifying event occurs under COBRA. If a Police Officer was enrolled in the Bonus Waiver program prior to retirement, dependent children, for purposes of benefit coverage, will be eligible for coverage as stated in this paragraph.

Any employee who retires after January 1, 2001 who at the time of retirement has group medical coverage or Medicare or access to such coverage because of other employment or through his/her spouse will not continue to be covered by the City of Pittsburgh, provided however, that should such coverage terminate or cease to be available, the employee will be reinstated to his/her medical insurance benefits by the City of Pittsburgh.

b. Any employee who retires after January 1, 2001, who after retirement has group medical coverage or Medicare or access to such coverage from another source either through his/her employment or through his/her spouse will not continue to receive health insurance benefits from the City of Pittsburgh, provided however, that should such coverage terminate or cease to be available the employees will be reinstated to his/her medical insurance benefits by the City of Pittsburgh.

c. The parties agree that a termination of coverage will entitle the retiree/spouse to a reinstatement of City health insurance benefits does not include a voluntary termination of coverage so that the retiree/spouse may elect the City’s health insurance coverage. The retiree must provide the City with a written notification of any termination of his/her health insurance benefits within thirty (30) days of the termination in order to ensure no lapse in coverage.
d. The City will upon an employee’s retirement require acceptable proof that the retiring employee (and his/her spouse) is not covered or eligible for medical insurance coverage by another source. The City shall require annual verification of continued eligibility for coverage. Acceptable proof, as determined by the City, may be a notarized affidavit or a copy of the employee’s Federal Income Tax Return. Employees shall be able to redact their Federal Tax Return to exclude financial information not related to verification of employment.

e. Should the City discover that the retiree and/or spouse has other coverage or access to other coverage which the retiree and/or spouse has failed to report to the City, City provided health insurance will be permanently terminated.

f. Any employee retiring on or after January 1, 2001 will be offered Husband and Wife coverage in the same plan choices as active employees.

g. If as a result of a change in residence, a retired Police Officer no longer has the ability to reasonably access the resources of any plan(s) utilized by active employees, the City will provide the retiree with the BC/BS/MM Indemnity plan. If a retiree relocates to an area that provides a managed care plan and he/she wishes to enroll in the managed care plan, the City will reimburse the retiree for the Husband and Wife cost of the said managed care plan up to the cost of the Husband and Wife BC/BS/MM Indemnity program. To receive this reimbursement the retiree will have to provide the City with acceptable proof that he/she is purchasing a managed care plan.
h. The City shall continue to provide, at the City's expense, medical insurance for each Police Officer who reaches age 65 and is eligible for Medicare directly, or through the Police Officer's spouse. Each retired Police Officer, upon reaching age 65, must provide the City with proof acceptable to the City that the Police Officer is eligible for Medicare benefits, either directly or through his/her spouse. If sufficient proof is not provided, the City's only obligation will be to fund the Medicare Risk HMO plan provided by the Blue Cross of Western Pennsylvania and Pennsylvania Blue Shield (BC/BS) only.

For those retired Police Officers and spouse who are eligible for and enrolled in Medicare Part A & B, the City will provide a BC/BS or HealthAmerica or US HealthCare Medicare Risk HMO Plan.

The City shall also reimburse the retired police officer, and his/her eligible spouse, for their respective Medicare Part B premium(s). The City will pay the assessed Medicare Part B premium, and subsequent increases, providing the retiree, and his/her spouse, apply for Medicare Part A & B benefits prior to first becoming eligible for Medicare Part A & B coverage. The City will not pay any penalties to the Medicare Part B premium if the retiree, or his/her spouse, make a late application for Medicare Part A & B benefits.

i. The City shall continue to provide, at the City's expense, medical insurance for each Police Officer who reaches age 65 where the Police Officer is not eligible for Medicare directly, or through the Police Officer's spouse. Officers not eligible for Medicare Part A & B will be eligible for the plan described in section 14 (B)(l).
10. Any employee who retires under the term of this agreement, who is married to another City employee at the time of retirement, will not be provided with health insurance coverage so that his/her spouse may participate in the waiver program described in Section 14 (B)(4). The active employee will provide coverage for the retired spouse and any eligible dependents, as explained in Section 14 (B)(8).

11. Any officer hired after January 1, 2005 will not be entitled to any retiree health care benefits provided by the City after his/her retirement.

12. (a.) Fort Pitt Lodge No. 1 Retired Medical Trust Fund (a.k.a. OPEB Trust) – The City will establish a dedicated account or trust fund for purposes of funding post-retirement health care benefits for police officers hired after December 31, 2004. The term “retired” for this benefit will include officers who do not satisfy superannuation retirement eligibility, but are determined to be eligible for a disability retirement by virtue of their medical condition. The trust fund shall be established, managed and operated in the manner determined by the City pursuant to applicable law.

(b.) The City shall continue to make a monthly contribution into the trust fund in an amount equal to two (2.0)% of a Master Police Officer’s base salary (excluding overtime, secondary employment or any other pay or differential that may be used for purposes of computing an officer’s overtime rate) per full-time non-probationary employee per month on behalf of all employees hired after December 31, 2004 and through December 31, 2015; provided that the number will not go below 300 officers. Effective January 1, 2021, the City shall increase the monthly contribution to 4.0% of a Master Police Officer’s base salary (excluding overtime, secondary employment or any other pay or differential that may be used for purposes of computing an Officer’s overtime rate) per full-time non-probationary employee per month on behalf of all employees hired after December 31, 2004 and through December 31, 2015; provided that the number will not go below 300
Officers. Pursuant to the Award of Arbitrator Miles, this number may be reduced by attrition, but not below 300 Officers. For example, in 2016 the MPO rate salary is $64,149, with a monthly salary of $5,346. Applying the 2% contribution calculation, the City's payment into the OPEB fund would be 2% of $5,346 or $107/month or $1,283/year. The $1,283 is then multiplied by the number of full-time employees hired after December 31, 2004 and through December 31, 2015. Fund assets will be distributed by the City to assist retired Officers in their purchasing of health care coverage. It is intended that the fund determine on a periodic basis the amount that may be distributed to retired police Officers for the purchase of coverage. No additional funds from the City will be required. There is no guarantee of a specific level of coverage for employees hired between December 31, 2004 who retire under the terms of this Agreement.

C. ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE/ SUPPLEMENT LIFE INSURANCE

Each active employee shall be insured at his or her option during the term of this Agreement by the City for Accidental Death and Dismemberment Insurance for an amount up to One Hundred Thousand Dollars ($100,000). The full cost of this insurance is to be paid by the employee. In the event the City’s insurance allows a higher maximum amount during the term of this Agreement, the City may offer the higher amount to the employee.

Each active employee shall be insured at his or her option during the term of this Agreement by the City for Supplemental Life Insurance for an amount up to one times the employee’s annual budgeted salary, not to exceed Fifty Thousand Dollars ($50,000). At least thirty (30) days prior to any such change in Carrier(s) and/or Provider(s) therefore, however, the City will provide each employee and FOP Officer a complete and accurate breakdown (copies of any Benefits Booklets of the present Carrier(s) and/or Provider(s) may suffice here) of all medical benefits (and limitations) presently in effect, along with similar such breakdown of all medical benefits (and limitations) to be effective under the Plan of the proposed new Carrier(s) and/or Provider(s). There shall be no reduction in present benefits under this provision.

Funds may be utilized to provide representation to Officers in Critical Incidents, CPRB, OMI, and comparable matters. Funds shall not be used for criminal matters, grievances, or comparable matters. The Award does not modify the contractual obligations for 2019.

C. There shall be a quarterly accounting by the Fund to the City as to the use of such funds. In addition to the information presently provided, the accounting shall state the amount of time and the amount billed for each item. Authorized uses of the Fund shall be limited to pay reasonable legal fees (which shall not exceed the rate charged by FOP to Lodge Counsel) an employee incurs as a result of any civil action brought against him or her based on performance of his or her police duties and not otherwise provided by the City, provided such duties are lawful. Any person electing the second option shall receive a pension commensurate with the pension rate which would be applicable had the person continued to work in that rank until age 50.

H. Pensions

2. In the event a Statewide Pension System is legislated that would allow the City of Pittsburgh to be included, a committee shall be formed with an equal number of members from the Fraternal Order of Police and the City of Pittsburgh to meet and
discuss whether it is feasible for the City of Pittsburgh to be included within the State system.

A. **POLICY:**

The Pittsburgh Bureau of Police has a legal responsibility and management obligation to ensure a safe work environment, as well as a paramount interest in protecting the public by ensuring that its officers have the physical stamina and emotional stability to perform their assigned duties.

The abuse of drugs and/or alcohol is destructive to the good order and reputation of the Bureau of Police and will not be tolerated. Officers must have physical coordination and unimpaired judgement to react prudently and effectively to the demands of police service.

B. **PURPOSE:**

This order states Police Bureau Policy relative to the use of narcotics, illegal drugs and the abuse of alcohol and legally prescribed drugs by any member of the Pittsburgh Bureau of Police and sets forth conditions in which drug tests will be required.

2. The term Drug Abuse includes the use of cannabis, narcotics, or any controlled substance which has not been legally prescribed and/or dispensed, or the abuse of a legally prescribed drug.
3. The term Alcohol includes beverages and medication or other substances containing ethyl, methyl, isopropyl or other low molecular weight alcohol.

4. Reasonable Suspicion Standard – An apparent state of facts and/or circumstances found to exist by a supervisor which would cause a reasonably intelligent person to believe the employee to be under the influence or a user of drugs or narcotics. The standard of reasonable suspicion is less than probable cause.

In addition, members are prohibited from being under the influence of alcohol while on duty.

Violation of this policy will result in disciplinary action.

2. Refusal by a Police Officer to take the required drug and/or alcohol testing shall be considered insubordination and will result in the immediate relief from his/her police duties pending disposition of any administrative action. Pursuant to Civil Service Rule III, the Officer will be ordered to take a Civil Service Medical Exam.
3. The Department, upon notification of the refusal of a Police Officer to take the medical examination, shall mark the Officer as absent without permission.

Upon receipt of an objection, the party scheduling the deposition shall notify all other parties.

(b) Request for ruling. Any party or witness may request a ruling on any objection by filing a written request with the arbitrator, which shall be accompanied by a copy of the notice of an oral deposition, any subpoena, and the objection duly lodged as required by subsection (a). The requesting party shall serve a copy of the request for ruling upon all parties and objecting witnesses.

(c) Ruling by arbitrator. Upon receipt of the request, the arbitrator will, after giving all parties and objecting witnesses due notice and opportunity to be heard, rule on the objection within five working days after the parties and objecting witnesses are heard.

(d) The arbitrator is not required to hold a hearing on an objection but instead may require the parties to submit their responses in writing.

100.15. Admissibility of oral depositions.

(a) Oral depositions taken in accordance with 100.12(b) or by agreement of all parties shall be admissible at the time of hearing in the same manner as if the deponent appeared before the arbitrator and testified. All objections must be made and the reasons therefore stated at the time of the taking of deposition.
100.16. Expense of taking depositions.

(a) If a deposition is to be taken more than 100 miles from the place where the hearing is or would be scheduled, the arbitrator may make an order requiring payment of reasonable expenses of attorneys, not including counsel fees, to attend the deposition.

(b) If a claimant chooses to take the oral deposition of a medical expert, all cost of such deposition will be borne by the party noticing the deposition regardless of the outcome of the claim. If oral depositions of medical experts are requested by the arbitrator then the claimant may submit the cost associated with taking that deposition to his bill of cost. Such cost may be refunded to the claimant if he prevails in his claim.

100.17. Authorizations.

(a) The claimant must submit to the city authorization necessary for the City to obtain medical reports, medical records, medical bills, employment records or any other records, documents or information that may be relevant to the claim.

100.18. Documents.

(a) If at least twenty (20) days written notice of the intention to offer the following documents in evidence was given to the other party accompanied by a copy of the document, a party may offer in evidence, without further proof,

(1) bills, records and reports of hospital, doctors, dentists, registered nurses, licensed practical nurses and physical therapists, or other licensed health care providers,

(2) bills for drugs, medical appliances and prostheses,
(3) bills for or written statements of value, damage to, costs of repair of or loss of property, and
(4) a report of rate or earnings and time lost from work or lost compensation prepared by an employer.

Any other party may subpoena the person whose testimony is waived by this rule to appear at the hearing and any adverse party may cross-examine him as to the document as if he were a witness for the party offering the document.

100.19. Subpoena.

(a) General rule. A party in interest in any pending proceeding may request the arbitrator to issue a subpoena to compel the attendance of a witness or require the production of any books, documents, records, or things relevant to the proceeding at a scheduled hearing or deposition within the scope of and scheduled in accordance with this chapter. Upon request, the arbitrator shall supply official subpoena forms, but only to a party, counsel or record for a party, or duly authorized agent of such counsel.

(b) Objections. The arbitrator may, upon filing of written objections by any person served with a subpoena or any party in interest, and upon due notice of all parties in interest and hearing thereon, quash or limit the scope of any subpoena issued or served.

100.20. Stipulations of fact.

(a) Stipulations of fact may be filed with the arbitrator to whom the case has been assigned.

(b) The arbitrator may issue a decision based on stipulations of fact, provided the arbitrator shall be satisfied by any means he deems appropriate that:
(1) the stipulations of fact are fair and equitable to all parties involved and under the circumstances; and

(2) the claimant understand the stipulations of fact and the effect of the stipulations of fact on future payments of compensation and medical expenses.

100.21. Hearing.

(a) It is the intent of both parties to provide a hearing within ninety (90) days of filing of any petition. Further, that all evidence be presented at such hearing.

(b) All witnesses shall testify under oath administered by the arbitrator.

(c) The rules of evidence shall be applied and except as provided in 100.15 relating to medical experts, and 100.18 relating to the introduction of certain documents. Otherwise, hearsay will not be accepted.

100.22. Briefs.

(a) The arbitrator may require or the parties may submit proposed findings of fact, conclusions of law, and legal briefs or memoranda to the arbitrator for his review and consideration.

(b) All submissions referred to in subsection (a) must be made within the time set by the arbitrator but except in extraordinary cases, not later than twenty (20) days, following the completion of the evidentiary portion of the case.
100.23. Oral argument.

(a) The arbitrator may require, or any party may request, a closing oral argument. Such argument shall be held immediately following the completion of the evidentiary portion of the case.

100.24. Decisions of arbitrator.

(a) Following the conclusion of the case, the arbitrator shall issue a written decision within five (5) days of the close of the record. If requested, the arbitrator shall issue a supporting opinion which may contain brief findings of fact, conclusions of law, and an appropriate order based upon such record as may be proper under the circumstances. Such opinion shall be issued within thirty (30) days of the close of the record.

(b) The decision of the arbitrator shall be final and binding.

(c) A copy of the decision will be mailed to the claimant, by regular mail, by the arbitrator.

(d) If the decision is to suspend or terminate benefits, the claimant will be given four (4) days from the date of the decision to return to work with no loss of pay.

(e) Saturday and Sunday will not count as “days” since the City doctor is not available for physicals on those days. In addition, those are generally pass days for those on compensation or modified duty.

100.25. Reconsideration.

(a) Either party may submit a written request for reconsideration or correction of the arbitrator’s decision within ten (10) days of receipt of such decision. The non-requesting party may file a written response to the request for reconsideration within ten (10) days of receipt of the copy of the opposing party’s written request for reconsideration or correction.
Subchapter C. Arbitration

100.26. Rules For Selecting For Arbitrators and the Arbitration Panel.

(a) Claims filed for benefits provided under the Heart and Lung Act shall be heard and decided by an arbitrator who is a member of a panel of arbitrators assigned cases in the manner indicated below.

(b) Selection of the panel.

(1) The City and the FOP shall each submit the names of ten (10) arbitrators who are members of the National Academy of Arbitrators.

(2) The first five (5) names that appear on both lists shall be on the panel and the remaining names shall be combined into one list.

(3) If less than five (5) names appear on both lists, all names that appear on both lists shall be on the panel and the remaining names shall be combined into one list.

4) From the combined list of names, each party will alternatively strike one name, with the FOP striking first, until a total of five (5) arbitrators have been selected overall.

(5) The five (5) selected arbitrators shall comprise the arbitration panel for the determination of all matters relating to heart and lung benefits.

(c) The term of the arbitration panel.

(1) The arbitration panel selected shall be permanent. However, in the event either party wishes to remove an arbitrator or arbitrator(s) from the panel, they must do so by written notice to the other side by July 1 of such year. Unless mutually agreed to by the parties, neither party may request the removal of more than two (2) members of the panel at any one time.
In the event that either or both parties request that the names of one (1) or more arbitrators be removed from the panel, the parties shall submit a request for a list of arbitrators from the American Arbitration Association. The number of arbitrators requested shall be four (4) times the number of positions which need to be filled. The parties will take turns striking arbitrators from the list until only the number of positions need to be filled remain. The new arbitrators are to be selected by the parties prior to November 30 of the year in which the request is made. The arbitrator or arbitrator(s) being removed from the panel shall not be removed until December 31 of the year in which the request is made.

(d) Authority of the arbitrators.

(1) The arbitrator shall have the authority to decide whether or not the claimant is entitled to benefits as provided for under the Heart and Lung Act.

(2) The arbitrator is not bound by, but should be guided by, judicial opinions interpreting comparable legislation specifically provisions of the workers’ compensation law.

(3) Arbitrators are not bound by, but should also be guided by, prior decisions of the arbitration panel.

(4) Decisions by workers’ compensation referees or the Workers’ Compensation Board interpreting provisions of the Heart and Lung Act may be considered by an arbitrator.

(5) The arbitrator shall have the authority to grant, deny, or modify a claim, to compel the production of documents, to compel the submission to medical examination, or to order any other action deemed necessary to expedite a fair and final resolution of any claim or petition.

(e) Arbitration Fees.
(1) The fees charged by an arbitrator shall be split equally between the City and the FOP.

(f) Workers’ Compensation Claims.

If a claimant files a claim with the Workers’ Compensation Board, he will be bound by any decision, findings of fact or conclusions of law reached by the Board in any claim filed herein relating to the same injury, disability or event. If a claimant files a claim with the Workers’ Compensation Board to or at any time while a claim filed under this proceeding is pending and not yet final, the filing of such a claim with the Workers’ Compensation Board will act as an automatic stay to these proceedings pending the outcome of the claim filed with the Workers’ Compensation Board. In the event the claimant is denied by the Board, that finding will be final and binding on any claim filed herein. In the event the claim is granted by the Board, the City may either accept those findings and award or have the claim for Heart and Lung benefits decided through the procedures established herein.

(g) At the time the City files a petition to suspend, modify or terminate Heart and Lung Act (HLA) benefits, a copy of the petition shall be filed simultaneously with the affected employee/claimant and the FOP. Any medical evidence on which the employer relies shall be provided to the employee at that time. Medical evidence will not be provided to the FOP with due regard for confidentiality of medical records.

The panel recognizes the right of the employee/claimant to organize and obtain any medical evidence to support his/her position. In recognition of this fact, a hearing on the suspension, modification or termination of benefits shall not be scheduled sooner than 60 days from the date of the petition is filed and served upon
the employee/claimant and the FOP. Date of mailing shall constitute the date of service.

At the 60-day hearing, the arbitrator shall have the authority, which shall be discretionary, to impose a supersedeas of HLA benefits based upon the evidence presented by the parties. The arbitrator is not required to grant or deny supersedeas at this hearing but can reserve ruling in order to allow the employee/claimant additional time to acquire medical or other evidence relevant to the case. Where supersedeas is granted, the arbitrator may hold the record open for the employee/claimant to obtain any additional medical evidence on the issues involving the petition.

In the case of termination petition on grounds of permanency, HLA benefits shall be converted to workers’ compensation benefits where supersedeas is granted.

In the case of a claim petition or reinstatement petition filed by the employee/claimant, a hearing shall be held no later than 60 days after filing of the petition by the employee/claimant, or on the next open arbitration date after the 60 days. The employee/claimant shall provide the employer with any medical evidence upon which he/she relies at the time the petition is filed. Any medical evidence related to the claim that is subsequently obtained shall also be turned over to the employer. Any independent medical examination to be sought by the employer shall be scheduled, absent good cause for delay, within 60 days of filing of the petition or the date on which the employee/claimant supplies the employer with medical evidence supporting the petition, whichever is later.
SECONDARY EMPLOYMENT

SECTION 24 – SECONDARY EMPLOYMENT

The City will maintain a Secondary Employment policy which shall be consistent with the bargainable terms set forth in the current version of Order Number 29-1, effective August 13, 2015.

Effective April 1, 2020, Secondary Employment details shall be paid as follows:

P01 – PO4: 1.5x MPO rate
MPO: 1.5x (MPO Rate + 14%)
Sergeant: 1.5x (Sergeant Rate + 14%)
Lieutenant: 1.5x (Lieutenant Rate + 14%)

This issue may be reopened by written notice by either Party to the Board Members during the month of April, 2021.
CRITICAL INCIDENTS

SECTION 25 – CRITICAL INCIDENTS

The City will be required to maintain a Critical Incident Policy, which shall be consistent with the bargainable terms set forth in the current version of Order Number 12-10 subject to the resolution of any Unfair Labor Practices charges currently pending. The Critical Incident Policy shall continue not to diminish the Constitutional rights of any Officer, and which shall include the following terms: definition of Critical Incident, definitions of Involved Officer and Witness Officer, the interview process applicable to an Involved Officer, and provisions relating to Officer Wellness. The police includes information on who will conduct the criminal investigation, process of the involved and uninvolved officers, administrative investigation, and post-shooting procedures.

This issue may be reopened by written notice by either Party to the Board Members during the month of April, 2021.
COMPENSATORY TIME BANK

SECTION 26 – COMPENSATORY TIME BANK

1. An officer may elect to take compensatory time off in lieu of overtime pay for either court time or for shift overtime. The election shall be made by written payroll designation which shall be submitted by the officer within 48 hours of the time the overtime was worked. Any such election is irrevocable.

2. Only overtime hours may be banked as compensatory time. When elected, an officer shall bank compensatory time at one and one half hours for each one hour of work identified above that would be paid at an overtime rate.

3. Each officer shall have a compensatory time bank which shall be maintained by the Bureau, and which may accrue no more than forty compensatory hours at any time. If an officer has maximized the compensatory time bank at forty-four (44) hours any requests for additional compensatory time shall be denied and the officer shall receive the overtime wages instead.

4. An officer is entitled to use compensatory time with the same restrictions as set forth in Section 13 for the use of personal days. The supervisor is to be notified prior to seventy-two hours of the use of time, and a request for compensatory time will not be denied unless staffing does not permit it or if the provision of the compensatory time off creates overtime for another officer.

5. Compensatory time may not be requested during special events wherein the Chief of Police has restricted contractual leave time, including, but not limited to discretionary time.

6. An officer may only use compensatory time in increments of eight (8) hours.
This Agreement shall be for four (4) years beginning January 1, 2019 and ending December 31, 2022, and shall remain in force and effect from year to year thereafter unless either party shall notify the other in writing on or before July 1, of 2022 and on or before July 1 of each calendar year thereafter, of any desire to terminate and/or modify any of its provisions in effect at that time, as of the first day of the next following calendar year.
