Emilie,

Rená passed along the attached serious concerns raised by legal advocates to UN entities about conditions Afghans are facing at the EHC. Since this is beyond our areas of operation, I thought perhaps I should pass it along to Adam and defer to DHS on any appropriate communication with DOS and/or NSC if they aren't already aware? Let me know if you have any concerns or other thoughts on how we should otherwise handle this.

Cordially,

Regina

Dear [Redacted]

[Redacted] shared your email below with me. I apologize for the delayed response, but I had an [Redacted] that took me out of the office for several weeks.

If you have not already submitted an expedite request, the best way to highlight a parole request that needs urgent review is by emailing, humanitarianparole@uscis.dhs.gov. This is the best way to flag a case that urgently needs to be reviewed. Please make sure, as you do below, that you highlight the life-threatening or other extremely urgent situation that the [Redacted] family faces.

My best, Rená

Hi [redacted]

I hope you are well. Per my message on LinkedIn, I asked about Rena Cutlip-Mason because there is a public health/humanitarian crisis in Emirates Humanitarian City (EHC). Below, I explain where I am at and why I need a contact at DHS Humanitarian Affairs. However, I have first **pasted a draft of the general advocacy letter**, which provides a background of the case.

I write with an urgent request on behalf of the [redacted]
